Dear Parents:

Welcome to Echo Lake Elementary School! Whether you are new to the area or returning from last year, we are delighted that you are part of the Echo Lake family.

Please read this handbook carefully, as it is designed to serve as a guide and source of information to help you and your child understand the policies and expectations here at Echo Lake Elementary. These rules and regulations are in compliance with the policies and regulations of Henrico County Public Schools, and have been established to ensure a safe, effective, and organized school environment. We look forward to working together with you to ensure the very best learning opportunities for "our" children. We ask that you also discuss the contents of this book with your child. Circumstances throughout the year may create additions and/or revisions of these existing policies. However, you will be notified if any changes occur.

Our entire faculty and staff look forward to an exciting school year filled with endless possibilities for student achievement and fun rewarding educational experiences. Our goal is to help each child reach his or her maximum potential by providing a strong instructional program that will help prepare him or her for the future. I look forward to getting to know your family and working with each of you. Please feel free to contact me if I can be of assistance to you. I sincerely appreciate your support in the upcoming school year.

Sincerely,

Mrs. Cynthia Foust  
Principal

Mrs. Michele Sherrod  
PTA President
